Class Wills

The Seniors, having been brought before "The Wise One," were told that on May 31 we must leave. We have therefore drawn up a will leaving a few of our earthly effects and remains to our closest and dearest friends.

According to statistics, we, the senior class of Nineteen Hundred and Sixty-four, have been judged to be of poor health and having a good sound mind, do hereby state the following facts to be our last will and testament.

To the Junior Class we bequeath our ability to earn money easily and their last year a good one.

To the Sophomores we will our ability to study hard and get along with the teachers.

To the Freshmen we will our four years of hard work and good luck.

To all the classes we leave all the good times we have had together through our precious twelve years of school.

To all the teachers, we will our thanks and appreciation for their fine teaching and guidance and most of all their "PATIENCE."

The wills are as follows:

I, Marcia Arn will my seat in Physics to any girl who won't mind getting KICKED and TEASED to death & my good times in high school to next years freshman class.

I, Frederick J. Beitler will my ability in shop to Larry Kiracofe.

Prophecy

Whew! It's finally over, but I wouldn't have missed it for the world. As I sit here reminiscing about our class reunion, I realize that the class of "64" has made great strides in only ten years.

Why, just several weeks ago, several of our ex-classmates made the headlines in an outstanding manner. The United states finally landed a rocket on the moon. LARRY GEHRES was the chief engineer of this man made rocket. Believe it or not, the first passenger was our own KENNETH DADY.

As I sat in the old gymnasium this evening, I glanced at the rest of my ex-classmates, who were seemingly absorbed in the speech. My gaze first rested on JANE GLECKLER, who is now supporting her husband by being a famous hair stylist at a big beauty salon in New York City. BARBARA WHERRY is sitting next to Jane. She helps Jane in her shops by spraying all of the new hair styles. Sitting beside Jane was CAROLYN PIERCE and HELEN JOSEPH. They were married shortly after graduation and both have very lovely families. Across the room were DAVE SHEETS, ROBERT DUNLAP, and JERRY SHELL. Bob is the coach of the World Champion Harlem Globetrotters. Dave and Jerry (believe it or not) are his star players.

Next to them were SUE OECHSLE, DONNA GERMANN, and BEVERLY McOMBER. Sue is now the private secretary for a big corporation president. Donna is the home economics agent for Van Wert County and has just received a state award for her outstanding work. Beverly has just returned from France where she is working for the U. S. government.

My eyes next rested on TERRY BOLLENBACHER who owns a professional charm school. Her main customers are MARILYN SIMMONS and ANN TAYLOR who are models on a most prominent T. V. show.

Beside those girls are DEA THOMAS and PAULETTE MOSIER. The girls were chatting like magpies, but of course they have a lot in common. Dea is the head nurse at Alcoholics Anonymous Association hospital at Convoy, and Paulette has been receiving awards for her outstanding nursing ability.

I saw JEAN MYERS fidgeting in her seat. She was probably anxious to get back to her 1000 acre ranch in Texas. Oh, that reminds me, I wonder what LARRY JONES was thinking about. Maybe he was having trouble with some of his ultra-modern equipment on his huge farm. Beside Larry was LINDA NOFER and JEANNE FOX, who now completely run the First National Bank all by themselves.

Next to Jeanne was BONITA DULL. Bonnies wasn't certain she would be able to attend the reunion. She is currently singing at Metropolitan Opera in New York.

Across from Bonnie were STEVE WEAVER, ROBERT WALLIS, and NED SPRINGER. Steve is now a famous cabinet maker and has built cabinets for many famous people, including the President of the United States. Robert is now top veterinarian for the famous Jersey farm owned by Ned.

I noticed ETTA STEWART and EMMA WHITTENBARGER. Etta is now teaching the correct way to speak southern to a class of 50. Emma teaches the same people in her own speech class.

Beside them were LINDA SCHAADT, JOY RHOADES and SHEILA MYERS. Linda teaches girl's physical education at Crestview. Joy Rhoades now owns her own marimba band and travels all over the world. Sheila did so well on her last speech that she is Joy's special mistress of ceremonies.

I noticed DENNIS SOWERS had a suitcase with him. Oh, he is a very prominent salesman now. I saw JOY BRITTSAN absently mindedly scribbling on her napkin. Perhaps she was taking notes on the speech. This is right in her line since she is now Dennis's private secretary.

I wondered what RON ROSS was thinking about as he looked around. Since he is now a famous artist, he was probably thinking of ways to brighten up the auditorium a little. I wondered who was wearing the army suits. Why, it's FRANK BOWEN and LARRY MIDDLETON. I heard that they reinlisted and came home on a leave to see their friends.

Next to them were GARY OAKLEY and ROGER FEGLEY. I see they have a sign with them which says, "Eat at Tree's and Beans" truck stop. LOREN PANCAKE and BRUCE FLEENOR are their two head waiters.

Our special guest singer is our own classmate, TERRY SLANE, who has currently had the top 5 hit songs in the nation and is now appearing on the Ed Sullivan Show. MARCIA ARN is sitting beside him. Oh yes, she is his business manager.

I heard that LINDA HAMRICK is now manager of the Happy Humpty. Her waitresses are BONITA MILLER, JUDY LARE, JEAN HERMINGHUYSEN, FREIDA HURLESS, MARGY WEAVER and MARY LOUAGIE. What is so odd about this is that they all are married, but their friendship just couldn't part.

I read in the paper where JUDY ETZLER now owns her own softball league, and they are playing in the World Series. Her star players are LELA GIESSLER and HELEN SCHAADT.

I heard that CHERYL DARR is currently running for Miss America since she was May Queen. VICKY CLIFTON still remains to be Cheryl's private secretary. PHIL CAREY told me he is secretary of a factory, but JOHN BIRD does his bookkeeping.

Ford Motor Co. is now being run by JOHN HALL who is trying to develop a faster motor to get away in. JIM HOBLET with his excellent driving, tests these fast cars out for Jon.

Drag racing has become quite a favorite sport between RAY KIEHL and RON NEISWANDER. They have a special building in Van Wert where you can go and see all of their trophies that they are now winning.

I noticed that I had come to the last row in the gymnasium. There sat DON WOODS, FRED BEITLER, JEFF BOWER, DENNIS COX, RICHARD DOUGAL, LARRY HERTEL and DENNIS SHOOK.

Don and Fred are now going to school to be undertakers. Jeff owns his own wood factory in which Dennis is an employee. Richard, Larry, and Dennis are trying out for acting places in the movie, Cleopatra.

Let's see now, have I forgotten anyone? Oh, how could I have forgotten BYRON THOMPSON. He now owns a most famous restaurant in Middlebury.

Well, I guess that is everyone. I think old "Crestview High" should be proud of the class of "64".
